

Report on One Day National Seminar

Theme: Innovative Technology And Scientific Solutions For A Sustainable Future.

Date: February 28, 2025

Venue: NIILM University, Kaithal, Haryana, India

Introduction

The National Multidisciplinary seminar was held on Feb 28, 2025 at NIILM University, Kaithal, Haryana. The seminar was organized by School of Sciences, Center for Professional Development (CPD) R & D cell, NIILM University, Kaithal, Haryana. The convener of the seminar was Dr. Richa Mor, Assistant Professor, Department of Biotechnology. The organizing secretary was Dr. Preeti, Assistant Professor, Department of Botany. The guest of honour for the national seminar was Prof. (Dr.) Vinay Panwar, Dean, R&D Cell, NIILM University.

This report summarizes the key highlights, discussions, and outcomes from the event.

The primary objectives of the seminar were to:

- Promote Awareness of Sustainable Technologies
- Facilitate Knowledge Exchange
- Address Key Challenges in Sustainability
- Highlight Scientific Research and Innovation
- Encourage Collaboration and Networking
- Promote the Role of Technology in Sustainability

Inaugural Session :

Dr. Geetanjali, Assistant Professor, Department of Chemistry coordinated the inaugural session.

The seminar commenced with an inaugural address by :

1. Prof. (Dr) R. K Gupta, Dean, Academic Affairs
2. Honorable Vice Chancellor, Prof. (Dr.) Shamim Ahmed
3. Prof. (Dr.) Vinay Panwar, Dean, R&D Cell, NIILM University

The speakers outlined the objectives of the seminar and encouraged the participants to engage actively in discussions and idea exchange throughout the day.

Keynote Addresses:

The event featured two keynote speakers:

1. Dr. Varun Saini, Assistant Professor, Department of Commerce, Central University of Himachal Pradesh, delivered a lecture on Scientific Solutions For A Sustainable Future.

2. Dr. Shobhna Jeet, Chairperson, Centre for Sustainable Development Goals, Associate Professor, School of Legal Studies, K.R Mangalam University, Gurugram She highlighted the growing impact of innovative technologies to achieve sustainable development.

Both keynote speeches were well-received, with insightful discussions and questions from the audience that delved deeper into the potential of these solutions in the context of India's sustainable development goals.

Technical Sessions :

The seminar featured two technical sessions having 09 participants each, where experts presented cutting-edge research, case studies, and best practices on various themes related to sustainability and innovation. The sessions included:

Session 1:

1. Session Chair : Dr. Renu Bala, Associate Professor, Department of Library and Information Sciences, NIILM University
2. Session Coordinator : Ms. Rashmi, Assistant Professor, Department of Microbiology, NIILM University

Session 2 :

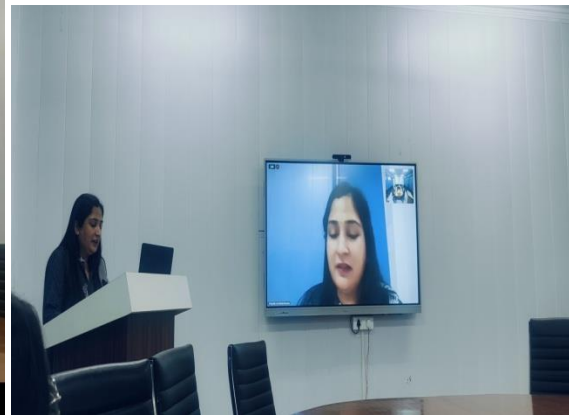

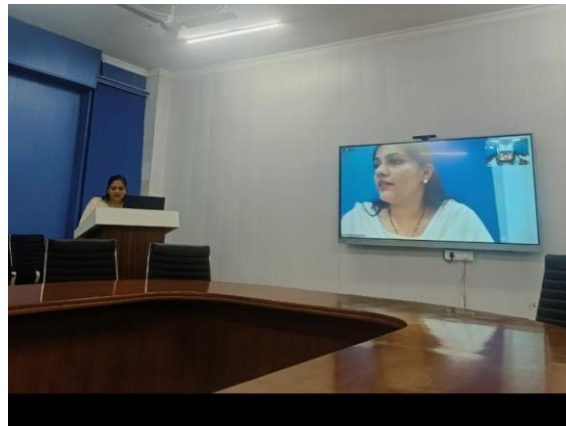

1. Session Chair : Prof. (Dr) Ravi Kumar, Department of Physical Education & Sports, NIILM University Kaithal Haryana
2. Session Coordinator : Dr. Varsha, Assistant Professor, Department of Zoology, NIILM University

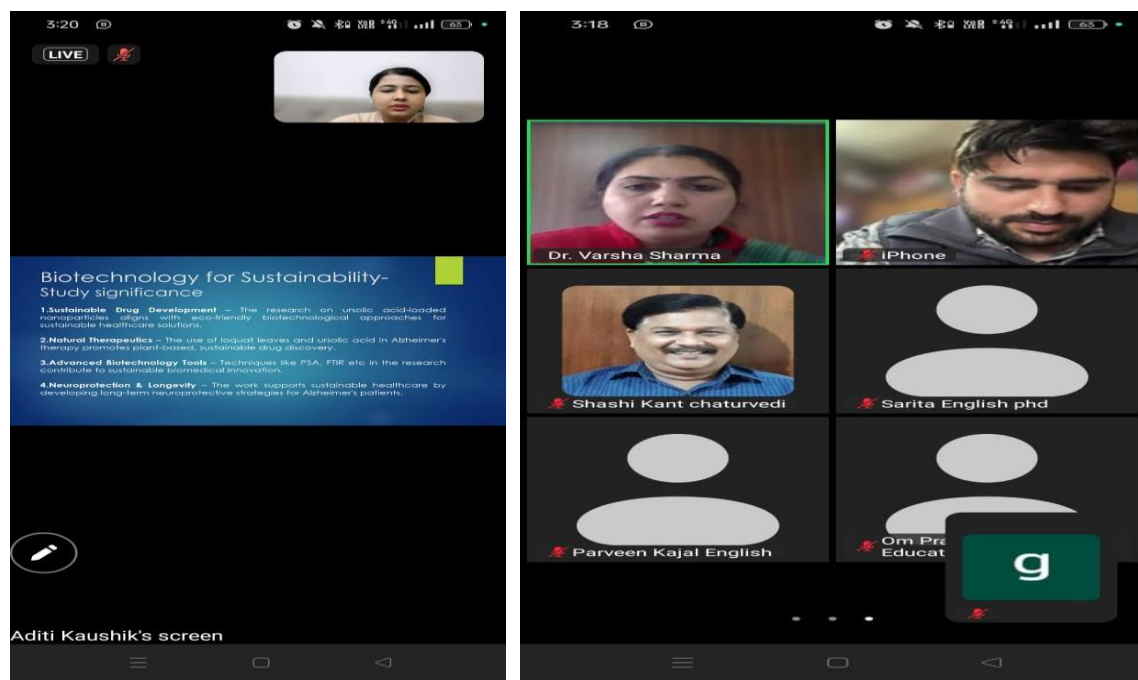

Best Research Presentations Award:

1. Dr. Sonam, Assistant Professor Sociology, NIILM University, Kaithal, Haryana
2. Ms. Aditi Kaushik, Research Scholar, Department of Biotechnology, NIILM University, Kaithal, Haryana

Felicitations Ceremony :

At the end Vote of Thanks was given by Dr. Richa Mor, Assistant Professor, Department of Biotechnology.

Conclusion :

The National seminar successfully met its objectives of bringing together experts, fostering discussions on key topics, and facilitating networking and collaboration. The event provided valuable insights into and allowed participants to connect on both professional and personal levels. Overall, the feedback from attendees was highly positive, with many praising the quality of the sessions and the opportunity for networking. Overall, the event was an inspiring celebration of excellence and its impact will resonate with attendees long after the ceremony.
